Linkedin.ahmedsaaied | Portfolio.ahmedsaaied

Career Objective

UI/UX Designer experienced in mobile and web product design, user flows, wireframing, prototyping, responsive interfaces, and design systems, creating clear and implementation-ready user experiences.

Education

Arab Academy for Science, Technology & Maritime Transport

Cairo, Egypt

Bachelor's Degree in Information Systems

Oct 2021 – Jul 2025

Professional Experience

SAP Junior Front-End Developer

Remote

Eco Digital Solutions, Saudi Arabia

Nov 2025 – Mar 2026

- Designed and developed responsive SAPUI5 interfaces across SAP Fiori environments, translating business requirements into clear and reusable UI components.
- Improved interface consistency and usability across data-driven enterprise workflows.

Internship Trainee

Cairo, Egypt

Dispatch Global Logistics

Aug 2024 – Sep 2024

- Analyzed workflows and stakeholder requirements to support clearer digital process improvements.

Projects

Petrojet SC – Squad Tactics Football Management App

Jul 2026 – Aug 2026

UI/UX Designer & Flutter Developer

- Designed end-to-end coach and player experiences covering squad management, fixtures, contracts, communication, and live match operations.
- Created a responsive bilingual design system and translated complex football workflows into clear, reusable, and implementation-ready user flows.

QNB Bebasata App Redesign

Sep 2025

- Redesigned navigation, information hierarchy, and login flows to improve clarity and reduce friction, including streamlined navigation and biometric authentication concepts.

Swizzle – Brand Identity & Product Experience

Dec 2025

Freelance Project

- Developed the visual identity, 15+ slide investor pitch deck, and product visualizations for a Gen-Z focused brand.

SpotON – Smart Parking Management

Sep 2024 – Jul 2025

Graduation Project – Team Leader, UI/UX Designer & Flutter Developer

- Led a six-member team in designing a smart parking mobile app and web admin dashboard.
- Designed flows for parking discovery, reservations, QR access, ALPR, geofencing, and real-time availability, earning an **A+ graduation project grade**.

Technical Skills

- **Product Design:** User Flows, Wireframing, Prototyping, Information Architecture, Interaction Design
- **Interface Design:** Responsive UI, Mobile Design, Web Design, Design Systems, Visual Hierarchy
- **UX Process:** Usability Analysis, User-Centered Design, Problem Identification, Design Iteration
- **Tools & Visual Design:** Figma, Figma Slides, Photoshop, Motion Design, Product Visualizations
- **Development Knowledge:** Flutter, Dart, HTML, CSS, JavaScript, React, SAPUI5

Courses & Certificates

Figma UI/UX Advanced – Udemy (Aug 2025) | **Figma UI/UX Essentials** – Udemy (Jul 2025) | **Sprints x Microsoft UI/UX Summer Camp** (Aug 2025)
